Jessica, you always bring joy and happiness wherever you go. You will accomplish whatever you want. You make us so proud. Love Mom & Dad

- From fifth grade to his/her entire class (no individual call-outs please):

Congratulations Class of 2019! Thanks for supporting me at Balboa. I wish every one of you best of luck throughout the years. Love ya, Lily

Please print message in the boxes below. Please include one character/letter per space. If using Capital letters please leave the equivalent number of extra empty spaces at the end (e.g. CONGRATULATIONS! = 15 capitals so leave 15 extra empty spaces at the end).
