# *BSC New Families Welcome Committee*

Join us in welcoming 170 new students  
& their families to Balboa Magnet!

The Welcome Committee is a group of current Balboa Magnet families interested in reaching out to the new students and their parents. If you sign up, you will be sent a list of a few people to contact sometime in late July. You can email or call them to introduce them to our school and let them know about events that will be happening in the fall. We will even provide you with a script, so it couldn't be easier!
