A non-profit organization of parents for the benefit of **Balboa Gifted/High Ability Magnet Elementary**  
Tax I.D. # 95-4350184

Dear Friend and Community Supporter,

Balboa Gifted High/Ability Magnet Elementary (Balboa Magnet) is one of the most sought after elementary schools in the Los Angeles Unified School District. Thousands of people apply each year to get in to the school, which has a population of 750 students.

In order for Balboa Magnet to be able to provide all our students with a stimulating, well-balanced education, the school must independently finance a few of our indispensable programs like Science Lab, Instructional Technology Support, Vocal Music, and Physical Education. For that reason, Balboa Spirit Club (BSC) is offering a great opportunity for local community businesses to reach new customers through our Corporate Sponsorship Program.

This program will enable businesses and private practices to advertise in our school, on our Balboa Spirit Club website ([www.balboaparents.org](http://www.balboaparents.org)), and at school events, while simultaneously supporting the children of our school. Your advertisement will reach our entire school population, plus thousands of motorists and pedestrians driving along the heavily traveled Balboa Blvd every day (displayed near corner of Balboa Blvd. and Superior Ave).

We offer two levels of sponsor packages:

- Package 1 (\$300): Includes a 3' x 4' banner (or you can provide your own standard size banner) for six months.
- Package 2 (\$600): Includes the same benefits as the first package, as well as a listing on our website, and recognition at school events for an entire year. Business submission and artwork is subject to school's approval. The school is not responsible for any damage to the banner once it is displayed (weather conditions, vandalism, fire, etc).

This is a great opportunity to promote your business/practice. 100% of your sponsorship donation will benefit Balboa Gifted/High Ability Magnet Elementary by helping to provide the much needed funding for these four programs at the school. Thank you for your support and we look forward to developing a great and long lasting partnership!
