BCS WEEKLY

WELCOME BACK

Greetings,

A warm welcome to the 2022-23 school year! We are off to a great start and look forward to our scholars having another year of fun as they learn and develop both inside and outside the classroom.

As the parent organization at Balboa, the Balboa Spirit Club (BSC) is privileged to play an integral role in funding, planning, and running the enrichment programs and events that make our scholars time at Balboa so fulfilling.

Over the next few weeks you'll be encouraged to support our Compass Fund; your generosity is truly appreciated. We also need your help volunteering throughout the year. From holding a board position, chairing a committee, running an event, or helping out in our TAP room with your teacher's projects and classwork, there is no greater feeling than seeing your scholar's beaming smile when you are on campus to help out.

Please be sure to keep in touch and stay informed by joining our Facebook group, following us on Instagram, checking out our website, and reading the Room Parent emails.

I look forward to seeing you around campus,

Steven Otterman, BSC President

FRIENDLY REMINDERS

- Interested in volunteering? Fill out our Volunteer Interest [Form](#).
- Purchase your Balboa Spirit Wear [here!](#)
- Stay up-to-date with school events by checking out our calendar [here](#).
- Meet your BSC Officers [here](#).
- Have questions? Would like to get involved? Email us [here](#).

COMPASS FUND

Balboa Gifted/High Ability Magnet Elementary School is well-known for its high achieving students, enthusiastic families, outstanding teachers and dedicated administrators and support staff. Balboa's challenging curriculum and exceptional enrichment programs play a large role in our students' success. We maintain this high level of excellence, with the support of every Balboa family. Collectively, through our annual COMPASS FUND drive we are able to generate funds that support all the enrichment programs and much more.
